HOW TO HOST CWA WATCH PARTY

Hosting a watch party for your organization is quick and easy! By following the steps below, you can create a platform for all to enjoy the Career Women of Achievement broadcast!

Before the broadcast:
1. You’ll want to create a Zoom link ahead of time for your organization’s members to join that day.
2. Once you have created the link, make sure to share it with everyone before the day of the event!
3. Designate someone to host the Zoom meeting.

Day of the broadcast:
2. Begin your Zoom meeting about 15 minutes before the broadcast begins, allowing people to come into the meeting early, as the broadcast will begin at 7 pm on April 22nd.
3. Before the broadcast begins, the host should share their screen to allow everyone to watch!
4. Make sure everyone’s mics are muted except the hosts to limit noise (optional).
5. Encourage Zoom participants to make comments throughout the broadcast in the Zoom chat!
6. Enjoy!

Note: Have more than 100 people? Designate a second Zoom room with another host!
** If anyone is having trouble watching the broadcast on Zoom, they can also stream it on their favorite streaming devices like Roku, Fire, Android TV and Apple TV.
